excel (.xlsx),
graphics exchange
format (.gif), png,
jpg, pdf, html, xls,
csv, and txt. excel
draw is compatible
with windows xp,
vista, windows 7,
and windows 8. the
software comes in
32 and 64 bit
versions. the
installer will
automatically detect
all the required
features of the
software and install
them. excel draw

can create as many drawings as you want inside of one workbook. each sheet can contain its own drawing. this is beneficial because multiple drawings can be loaded or created inside of the excel document and then emailed to colleagues or customers. with excel draw you can guarantee that anyone with a

version of excel
(2007 and up) can
view your drawing!
this saves you, your
customers and your
company valuable
time and money,
allowing you to put
it where it really
counts and not
where its wasted.
easy user-friendly
sharing and
exporting have lots
of drawings you
want to share excel
